

Quaker Valley Council of Governments

PI Team

June 21 2017, 7:30 PM

**Avalon Borough
640 California Avenue
Pittsburgh, PA 15202**

PI Team stands for *Project Ideation* Team

Project Ideation is:

- **Deliberate**

Intentional, by design

The PI Team has a structured format to allow consistency of information and comparability of proposals.

- **Civically engaged**

Works directly with the community

QVCOG Board members, municipal employees and volunteers in community come together to hear, suggest, evaluate and recommend projects for QVCOG communities to pursue together.

- **Creativity**

Ideas, consensus building, entrepreneurial

Before the QVCOG spends valuable resources like time and tax dollars on a project, the PI Team weighs ideas to determine demand, community impact, economic viability.

Agenda:

7:30 – 8:00 Circulate & Visit with Presenters at Poster Session; refreshments

8:00 Convene as whole group

8:05-8:30 Group Q & A with presenters

8:30 -9:00 PI Team Discussion on proposals heard, next steps and suggestions for next PI Team meeting (August 16, 2017)

June 21, 2017 Presenters

Mark Schuster, Turnkey Taxes: Data Mining for Improved Revenue Collections

Marilyn Jenkins, Allegheny County Library Association: Library Facilities & Emergency Management

John Schaffer, Shaffer Technologies: Transforming to E-Gov through Digital Document Management
