

Road Preservation Techniques That Maximize Budgets

Want to know how preservation techniques can stretch your budget dollars with today's Superpave roadways?

You're invited to our Lunch & Learn event, where you can earn **4 hours of CPE credits** networking with fellow agency decision makers in Western PA & Northern WV. Lunch and refreshments will be provided for all attendees at **no cost!**

This seminar is focused on helping engineers and agency decision makers make the best use out of proven road preservation techniques. The format will be highly interactive and include group discussion.

When?

Thursday, October 30th, 2025
9am to 2pm
